Dear Eighth Grade Student and Parents/Guardians:

Monument Mountain Regional High School will hold its annual Program of Studies evening for all Berkshire Hills Regional School District eighth grade students from Monument Valley Regional Middle School, Berkshire Country Day, Richmond Consolidated School, Rudolf Steiner and their parents on Wednesday, March 15th. The event will acquaint families with the course opportunities available at the high school, explain the scheduling and leveling process and answer questions families may have as the students begin to make a transition to the high school. Students and parents are invited to arrive at MMRHS at 6:30 p.m., sign in, and tour the building. MMRHS students will be stationed throughout the school to answer questions about the building, academic areas, etc. At 7:00 p.m., we will meet in the auditorium for a presentation about Monument Mountain, its programs, its students and faculty. Following this, 8th graders and their parents will join guidance counselors and students in sessions dedicated to providing information about course sign ups and answering questions.

If you have any questions regarding the Program of Studies evening, please contact the Guidance Office at Monument Mountain at 528-3346.

Sincerely,

Michael Powell
